RE: National Remedy Review Board Recommendations
Ringwood Mines/ Landfill Superfund Site
Borough of Ringwood, New Jersey

May 14, 2012

Dear Mr. Gowers,

On behalf of the Ringwood Mines/Landfill Community Advisory Group, please find the attached resolution that was passed on April 24, 2012 that outlines specific recommendations to the United States Environmental Protection Agency's National Remedy Review Board for the Ringwood Mines/Landfill Superfund Site in Ringwood, New Jersey.

If you have any questions, the CAG's facilitator Robert Spiegel will serve as the point of contact. He can be reached at 732-321-1300 or via email at rspiegel@edisonwetlands.org.

We thank you in advance for taking our serious concerns and recommendations into consideration.

Respectfully,

The Ringwood Mines/Landfill Community Advisory Group
